1911grill.com

Owners: Sarah Fisher and Andy O'Gara

As kids, both Sarah and Andy dreamed of competing on the biggest stage in world-wide motor sports at the Indianapolis Motor Speedway. Both are fortunate to have had that opportunity, Sarah as a driver, Andy as a mechanic and team manager, and as owners together as husband and wife.

They wanted to share that passion with the community through a state-of-the-art indoor karting facility right here in the heart of Speedway, Indiana.

Speedway Indoor Karting features Italian CRG karts of all types to offer fun and safe competition for drivers age 8 and up. With it's 14 turns, the road course is two levels of exciting challenge. And the underestimated banked oval is unlike any other in the country.

With their IndyCar history, it should come as no surprise that the on site 1911 Grill serves guests with a refined American cuisine under the historical Indianapolis 500 iconic theme. It is their goal to ensure that all guests, whether they are karting or dining, leave with a new energy for racing and enjoy a family culture that has been the key to success in all their affiliations
